User (surname, name)

Address (street, town, ZIP Code)

Phone E-mail

The boiler complies with the requirements of EN 15502-2-1, EN 677.

VIADRUS SpA provides a warranty on the boiler VIADRUS K4 for the period of 24 months from the product commissioning date.

The warranty is valid based on the following conditions:

- installation of the boiler shall be performed in accordance with the "Operation and Installation Manual" by a specialized installation company
- commissioning shall be performed in accordance with the "Operation and Installation Manual" by the contracted service organization authorized by the manufacturer
- defect removal shall be performed by the contracted service organization authorized by the manufacturer

Completeness of the boiler delivery is guaranteed by the seller

The guarantee conditions and liability for defects follow chap. no. 9 of manual.

The Warranty Certificate is invalid if not completed.

The user confirms that:

- the boiler adjusted by the contracted service organization showed no defect during the heating test
- he received the "Operation and Installation Manual" including a properly completed Warranty Certificate and Quality Certificate
- he has been instructed on the boiler operation and maintenance
